Subject: Reminders Regarding BBA Data Certification

Just a few reminders related to the BBA Data Certification. Please let us know if you have questions.

1. If you haven't sent us your authorized names and email addresses for test, we need these ASAP.
2. Authorized names and email addresses for production need to be send to the Encounter Unit.
3. The revised implementation date for this requirement will be 4/10/2004, meaning all files submitted after 4/10 will require an emailed data certification. All files submitted prior to 4/11/2004 should follow the current fax data certification process.
4. This requirement applies to both proprietary and 837 formats.
5. For testing purposes please us the BBA Test Email Address:
bbatest@ahcccs.state.az.us
And for production purposes remember to use the production BBA Email Address:
bba@ahcccs.state.az.us

Thanks!
